

FULLY ASSEMBLED
Installed & Leak-tested

CYLINDER CRADLES & GAS PACKS

Fully assembled and installed cylinder cradles, gas packs, and pallet manifolds. All you have to do is fill them!

BENEFITS

- Eliminates the need for additional assembly and installation at your fill plant
- Entire manifold assembly, including the leads, is 100% nitrogen leak-tested
- Ready to fill and ship

OPTIONS

- Choose from popular brands, models, and sizes of cradles, gas packs, & pallet manifolds
- 6, 12, or 16 cylinder configurations
- 250 CF or 300 CF cylinders
- Rigid or flexible pigtail manifolds
- With casters, forklift accessibility, or crane lift (or any combination of all three)
- Customizable – available with unlimited paint colors or galvanized coating, and laser cut plates with your company logo

Cyl-Tec assembles them for you!
